A diagnosis of cancer in a child is devastating. Besides the incredible emotional toll it takes on the family and, of course, the child, it is estimated that one-third of a family's net income will be redirected to costs incurred while their child is in treatment. Often, one parent will have to leave their employment during this time. The financial and emotional impact on families can be unbearable. This is why we hold Childcan's Polar Bear Dip.

All of the proceeds support Childcan and the families we serve throughout Western Ontario, providing direct financial assistance, social and emotional support, and funding research at Children's Hospital in London.

Help warm hearts by taking the bone chilling plunge on Saturday, March 4, 2023.

Mom Link Polar Dip Fundraising In Pink

Date and Time: Saturday, March 25 2:00 pm - 5:00 pm

Address: Port Stanley

The Mom Link, a community of over 34,000 entrepreneurial women globally, has announced the first annual Mom Link Polar Dip Fundraising in Pink. The initiative aims to raise funds and awareness to support women and mothers in their recovery journey from alcoholism and drug addiction.

Crystal Almeida, CEO, and founder of The Mom Link said, "With your support, we are confident that this event will be a great success, accomplishing our goal of raising \$15k for 3 recovery charitable organizations and impacting the lives of so many women in Port Stanley and surrounding area."

Jansen said, "My philanthropic purpose is all about helping those suffering from alcoholism and drug addiction, especially women. Many women in Elgin County have had to rely on services such as Turning Point and St Stephen's House in London to support them until they can make it on their own and stay sober. The YWCA in St Thomas has inclusive but not specific programs for women in recovery seeking shelter."

The event will feature a polar dip, and all proceeds will go towards supporting women in their recovery journey. Elizabeth Nancy Jansen, a resident of Port Stanley and a member of The Mom Link and the private Million Dollar Club, initiated the event.
